

Important notes to remember:

- Thanks to everyone who contacted me or signed up for a job in person! The spirit of volunteerism is alive and well! Despite this, I still had to assign jobs to a few families. Please make arrangements if the assigned shift does not work for you. You will be assessed a fine if you do not work and your child is entered in the meet.
- Special thank you to all stroke and turn workers; this is a difficult job and some of our parents – Pargett, Ward, and Harvill - are working this job both Saturday and Sunday.
- Thanks also to everyone involved in the Clerk of the Course, starting with Julia Ankunding. REST's team job this year is the run the C of the C and we are planning for a smooth, efficient process!
- Please check in with Karen Dautel Clark prior to your shift. I will be spending most of my time in the Clerk of the Course Tent. I will not have time to track you down!
- Timers will need to check in to get watches. Please return them to me at the end of your shift.
- All timers, recorders, and marshals will be given a list of people who can relieve you for bathroom, food, or rest breaks. Please take advantage of this. You can call or text them.
- Relief workers, please make yourselves available to all of our team workers during your shift.
- Some of you have already kindly informed me if you have a substitute working for you; please let me know if you haven't already.
- Please be on time for your shift, especially if you are taking over mid-morning for a timer or marshal. If you are taking over mid-morning, please make sure you are replacing an REST worker! If someone does not take over for their mid-morning shift, please inform me.
- Afternoon workers will be asked to report 15 minutes before the beginning of finals. Please take note of that time, when announced after morning swims.
- Morning marshals will need to attend a 7:30 am meeting on the pool deck each day.
- Stroke and turn officials will also have their traditional morning meeting on deck.

## Friday, Aug. 7

Job	Time	Family Name
Set up at Acalanes *	3-6 pm	Hall
		Devereaux
		Singh
		Anderson

\*Please deliver two pop-ups from our pool to the clerk of the Course area, one to the set-up team headed by Bethanne Flannery of Walnut Heights, and the rest to our team area located in the hallway between rooms 101 and 202. You will also be asked to help set up other items.
